**MISSION STATEMENT**

The Academy of Forensics and Industrial Chiropractic Consultants (AFICC) is a chiropractic specialty organization dedicated to improve the delivery of chiropractic forensic services to the public, the healthcare industry, government agencies, third-party payers and the legal profession. The demand for special post-graduate training in the field of forensics is increasingly important in order to ascertain the value of chiropractic care in courts of law and other legal venues. AFICC strives to academically improve the chiropractic physician's knowledge and skills with regard to assessment, diagnostics, treatment, documentation, report writing, communication, standards of practice, updated research and expert testimony.

**Fellows Specialize in:**

- Workers' Compensation
- Second Opinions
- Expert Testimony
- Personal Injury
- Malpractice Issues
- Continuing Education/Seminars
